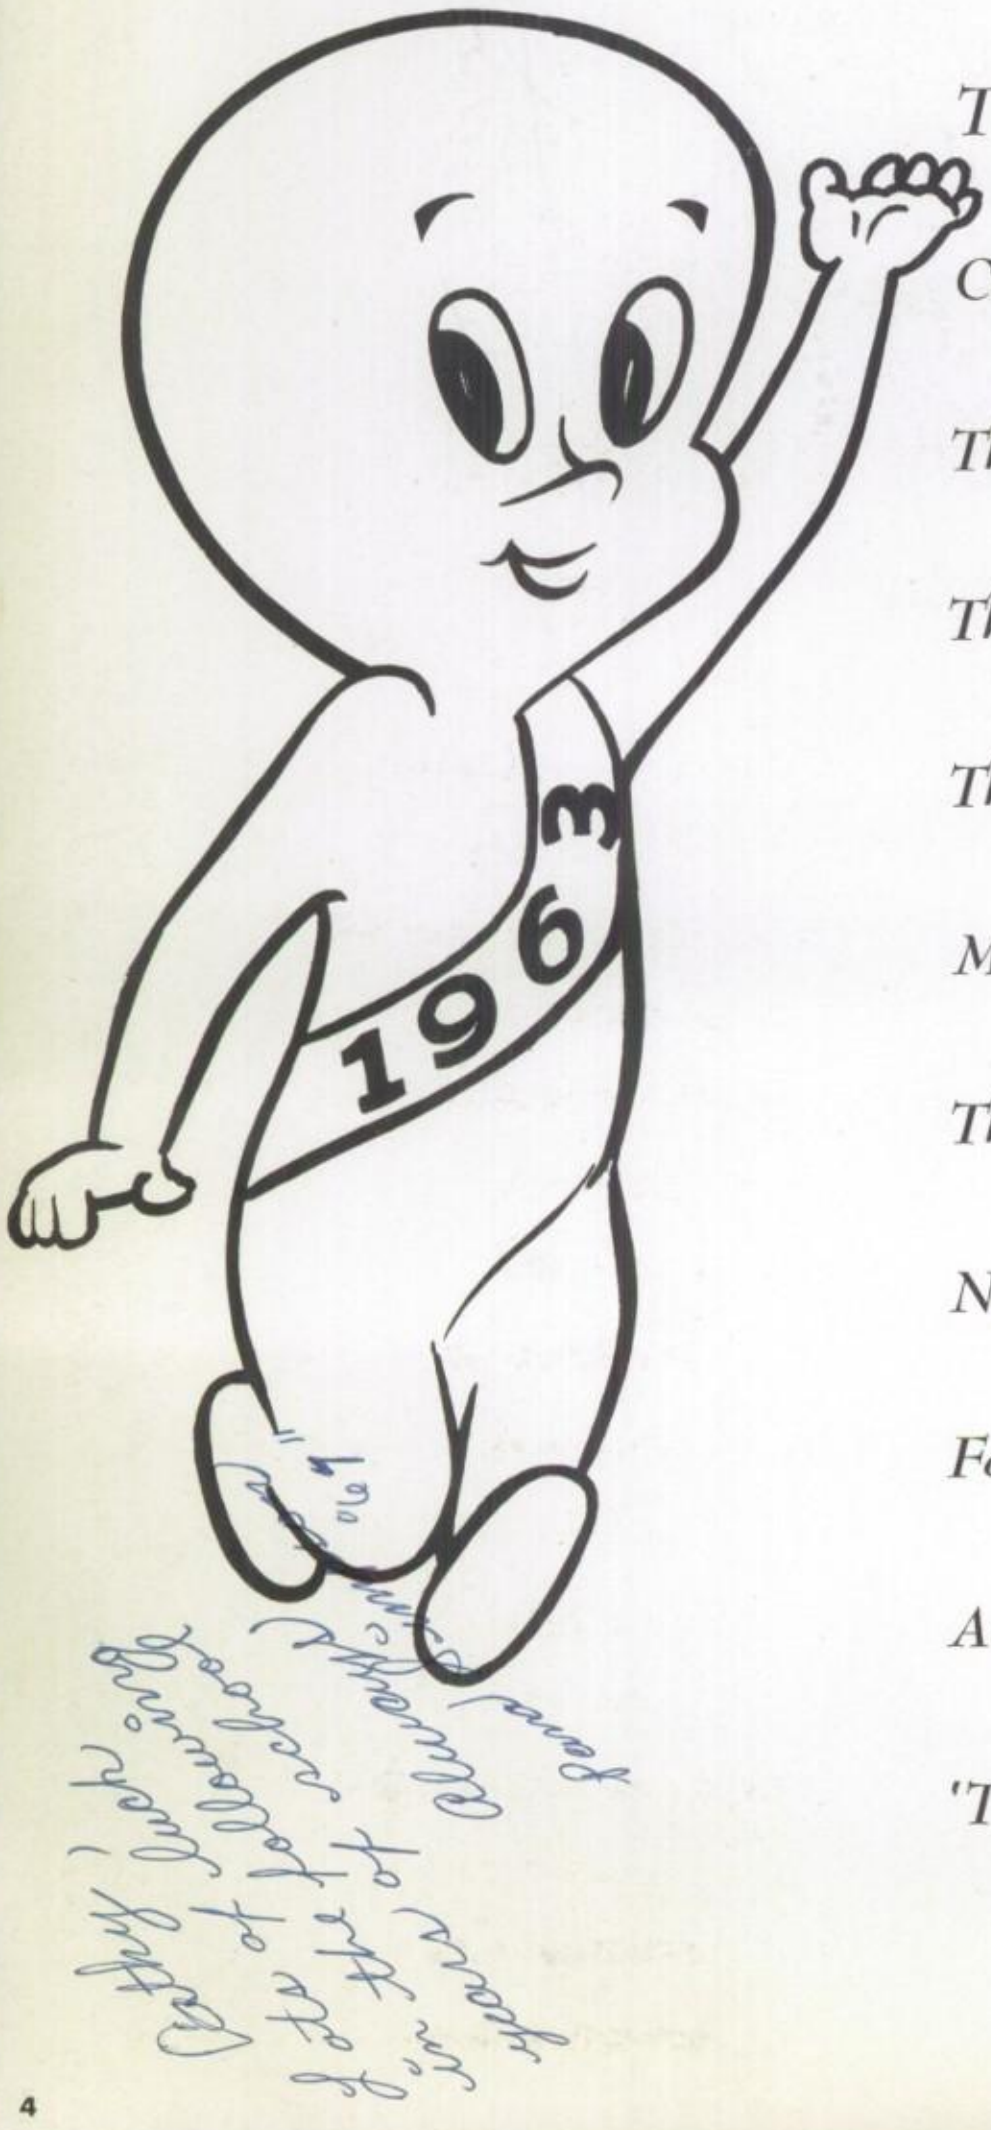
THEME



"I'm the spirit of Wagner High,

The theme of '63.

Come with me, together we'll fly

Through my pages of victory.

There go the classes one by one,

The clubs, and you taking part;

Memories of pranks, all in fun;

This spirit is my heart.

Next is you cheering for the teams,

For victory you know you'll see,

Accomplishment for all years, it seems,

'T was best in '63.

SUPERINTENDENT'S MESSAGE

Your Fledgling will be a source of many memories of your activities in Wurtsmith Memorial School on Clark Air Base and in the Philippines. May these memories be pleasant ones and may they inspire you to be better world citizens and leaders in the world for democracy.

PRINCIPAL'S MESSAGE

Falcons! The name means much to Wagner High School. What qualities of the falcon do we wish to emulate? When we recall that we are living in the "space age" that name appropriate, for falcons are high-soaring creatures. They have unlimited vision and clear view, quick action with gracefulness, rugged endurance because of healthy bodies, and when needed, a fighting tenacity to survive. Take pride in being a FALCON!

I, Gerry Stroh, being filled with much love and devotion for chemistry class, offer you, sister Judy, all of our smoky experiments.
I, Jim Sture, being of more or less sound mind, will my cowboy boots to Mr. Allison.
I, Nick Taddeo, being of mind and body, do will to "Squeaky" Atterbury, my ability to make bad jokes and worse puns, an ability which he obviously likes.
I, Lloydine Triplett, being of sound mind, will my brains to the lunatics; my driver's license to Debbie Weeks; books to teachers; school to future seniors; and the P.I. to the Filipinos.
I, Stephen Van Horn, sound of mind, leave my glories of being a senior to Rick Grice.
I, Tabb Walker, will my basketball uniform to Jettye Orth, who starched it, and my red and white clothes bag to Geoff Shaw.

Senior Class Prophecy

The little spirit of Wagner was lonely since the class of '63 had left. It had been fifteen long years since he had seen all his old friends, so he decided to take a trip around the world to see what they were doing.

His first stop was the large white Senate building in Washington, D. C. Inside he could hear Jim Kent, Senior Senator from Colorado, expounding on U.S. policy toward Norway. Paying no attention to his loud shouting were Jerry Long, chairman of the Foreign Relations Committee, and Nick Taddeo, a Senate page. In the balcony were Sue Reynolds, editor of the Senate Yearbook and Bob Reynolds, famous author, taking notes for his new book, Corruption in the Senate

Finding himself about to doze off, the little ghost decided to continue on his journey. Flying over Maryland he saw Mike Hay, owner of a profitable Calesa business.

He came to a stop in New York City where first he saw Nancy Neslen, famous Vogue cover girl. Drifting over to Broadway he was blinded by flashing billboards featuring such great names as Silent Tom Tibbits and Smiling Sue Tife starring in the smash hit, "Bang Gunley Rides Again," and Dee Anna Simpson and Dave Pike in "The Friendly Twosome," directed by Regina Lamb.

Just then a swift wind blew the little ghost over Yankee Stadium where he saw Don Hammond, pitcher for the New York Yankees. In the crowd was Judy Faulhaber heading the Yankee cheering section with her pep squad composed of Gerry Stroh, Sue Kuehnast, Linda Fortune, Brenda Cook, and the ever faithful Bert Meiners.

Flying further, he passed over Grenwich Village where he saw Bob Owens, an upcoming playwrite, and Karen Jones and John Fisher, two of New York's top commercial artists, having coffee in a small cafe. As the spirit crossed the Mississippi, he spied a small community in Missouri. Dropping in at a local P.T.A. meeting he saw Duffy Shaw, Toni Little, Marni Perla, Mary Cullinan, and Bob Ratliff, teachers at the local school.

Once again on his journey he crossed the Rockies and stopped in Las Vegas. Entering the Sands Hotel, he bumped into Steve Van Horn, Roz Beaven, and Laurie Pickett playing the slot machines. Just then Rusty Altvater's band signaled the beginning of the floor show, featuring John McDonough, famous Hollywood comedian.

The little ghost continued on his way, heading this time for the Pacific. Winging over California he saw Jim Sture, the cattle baron, bringing in his herd.

Once across the Pacific his first stop was the Philippines where he saw Erlinda Buenviaje and Myrna Scheerer teaching Home Economics at good old Wagner High. Tony Dravis was there too, now the Commanding Officer of Clark Air Base.

The ghost traveled on to Vietnam, where deep in the jungle he came upon Duayna Ford, the Albert Schweitzer of the Pacific, and her assistant, Kay Gillan. In Hong Kong he found Brenda Retherford and Lynn Davies buying some new fashions for their well-stocked wardrobes.

Once again on his way, the little ghost made for Europe. In Paris he discovered Kathe Golden driving down the Champs Ellyses in her faithful Volkswagon. Passing over Germany he found Karin Iverson, parade sargeant for the German army. Warren Turner, the scientist, was there too, still claiming that the differential pulley was "the neatest thing in the whole world." With him was his contemporary, Artie Weiss, who had finally cracked the barrier linking calories to British Thermal Units.

In Italy the ghost saw athletic stars Jill Sapienza and Jeff Kucklick training for the upcoming Olympic games. Focusing their TV cameras on the two were Bill Way, Rolando Santa Ana, and Ron Smith, cameramen for NBC. Becoming hungry, the ghost dropped in on Allan "Wop" Guarino, owner of the enormous pizza factory, for one of his gooey pizzas.

The Alps of Switzerland found Tabb Walker skiing merrily up and down the slopes, stopping now and then to recover a lost contact lense.

Now it was back to the U.S.A. for the little ghost. Once again, in San Francisco, he looked in on Barbara Honeywell, Pat Davis, and Frankie Triplett, private secretaries, working madly at transcribing the day's dictation.

It had been a long and tiring day for the Spirit of Wagner and now it was time to sleep. As the little ghost dozed off, he began to dream of the next year and another visit — this time to the class of '64.

FALCONS IN ACTION

"Boy, this shot put is heavy!"

Three Sleeping Beauties.

Just one more hurdle to cross.

A new record?

Anne shoots her mark.

There's that pest with the camera again.

Ten mighty Falcons taking a break.

Tom's in the lead.

Sure, We'll pose! We're mighty Falcons!

Mr. Grana leads the rooting section.

The Priceless Extra of Experience

THINK FOR A MOMENT of the many choices we make in life which are determined by our confidence in somebody's experience.

Choice in important things, like selecting a doctor, a lawyer, or an investment counselor. In less important things, like having something repaired. In even minor, everyday, personal problems.

So deeply ingrained is this basis for choice in all our actions, it comes as no surprise when so many experienced travelers say that this is why, when they fly overseas, they put their trust in Pan American.

For Pan American *is* "The World's Most Experienced Airline"—in years of flying over the seven seas—in every type of transport plane—in fine mechanics who maintain these planes—in pilots and engineers who fly and navigate them—in services to care for you before you embark, while on your flight, and when you land. All under the high discipline of U.S. flight standards.

A Pan American traveler is a *confident* traveler, reposing his trust in these years of experience in getting you from here to there—comfortably, dependably, serenely.

It's a great experience to fly with experience on Pan American.

Enjoy the Priceless Extra of Experience on the World's Most Experienced Airline

PRESSURE-TREATED LUMBER AND PLYWOOD GIVE YOU SUREST PROTECTION AGAINST WOOD DESTROYERS

1 Has **higher** resistance to fungi causing rot and insects (anay, bukbok) than **any other** salt preservative and is non-leachable.

2 The only treated lumber and plywood sold in the U.S.A. and the Philippines with service records of over 30 years to prove that **anay, bukbok** and **dry rot** will not damage it.

3 Leads all other salt preservative-treated lumber in the United States by over 2 to 1; in the Philippines, 3 to 1.

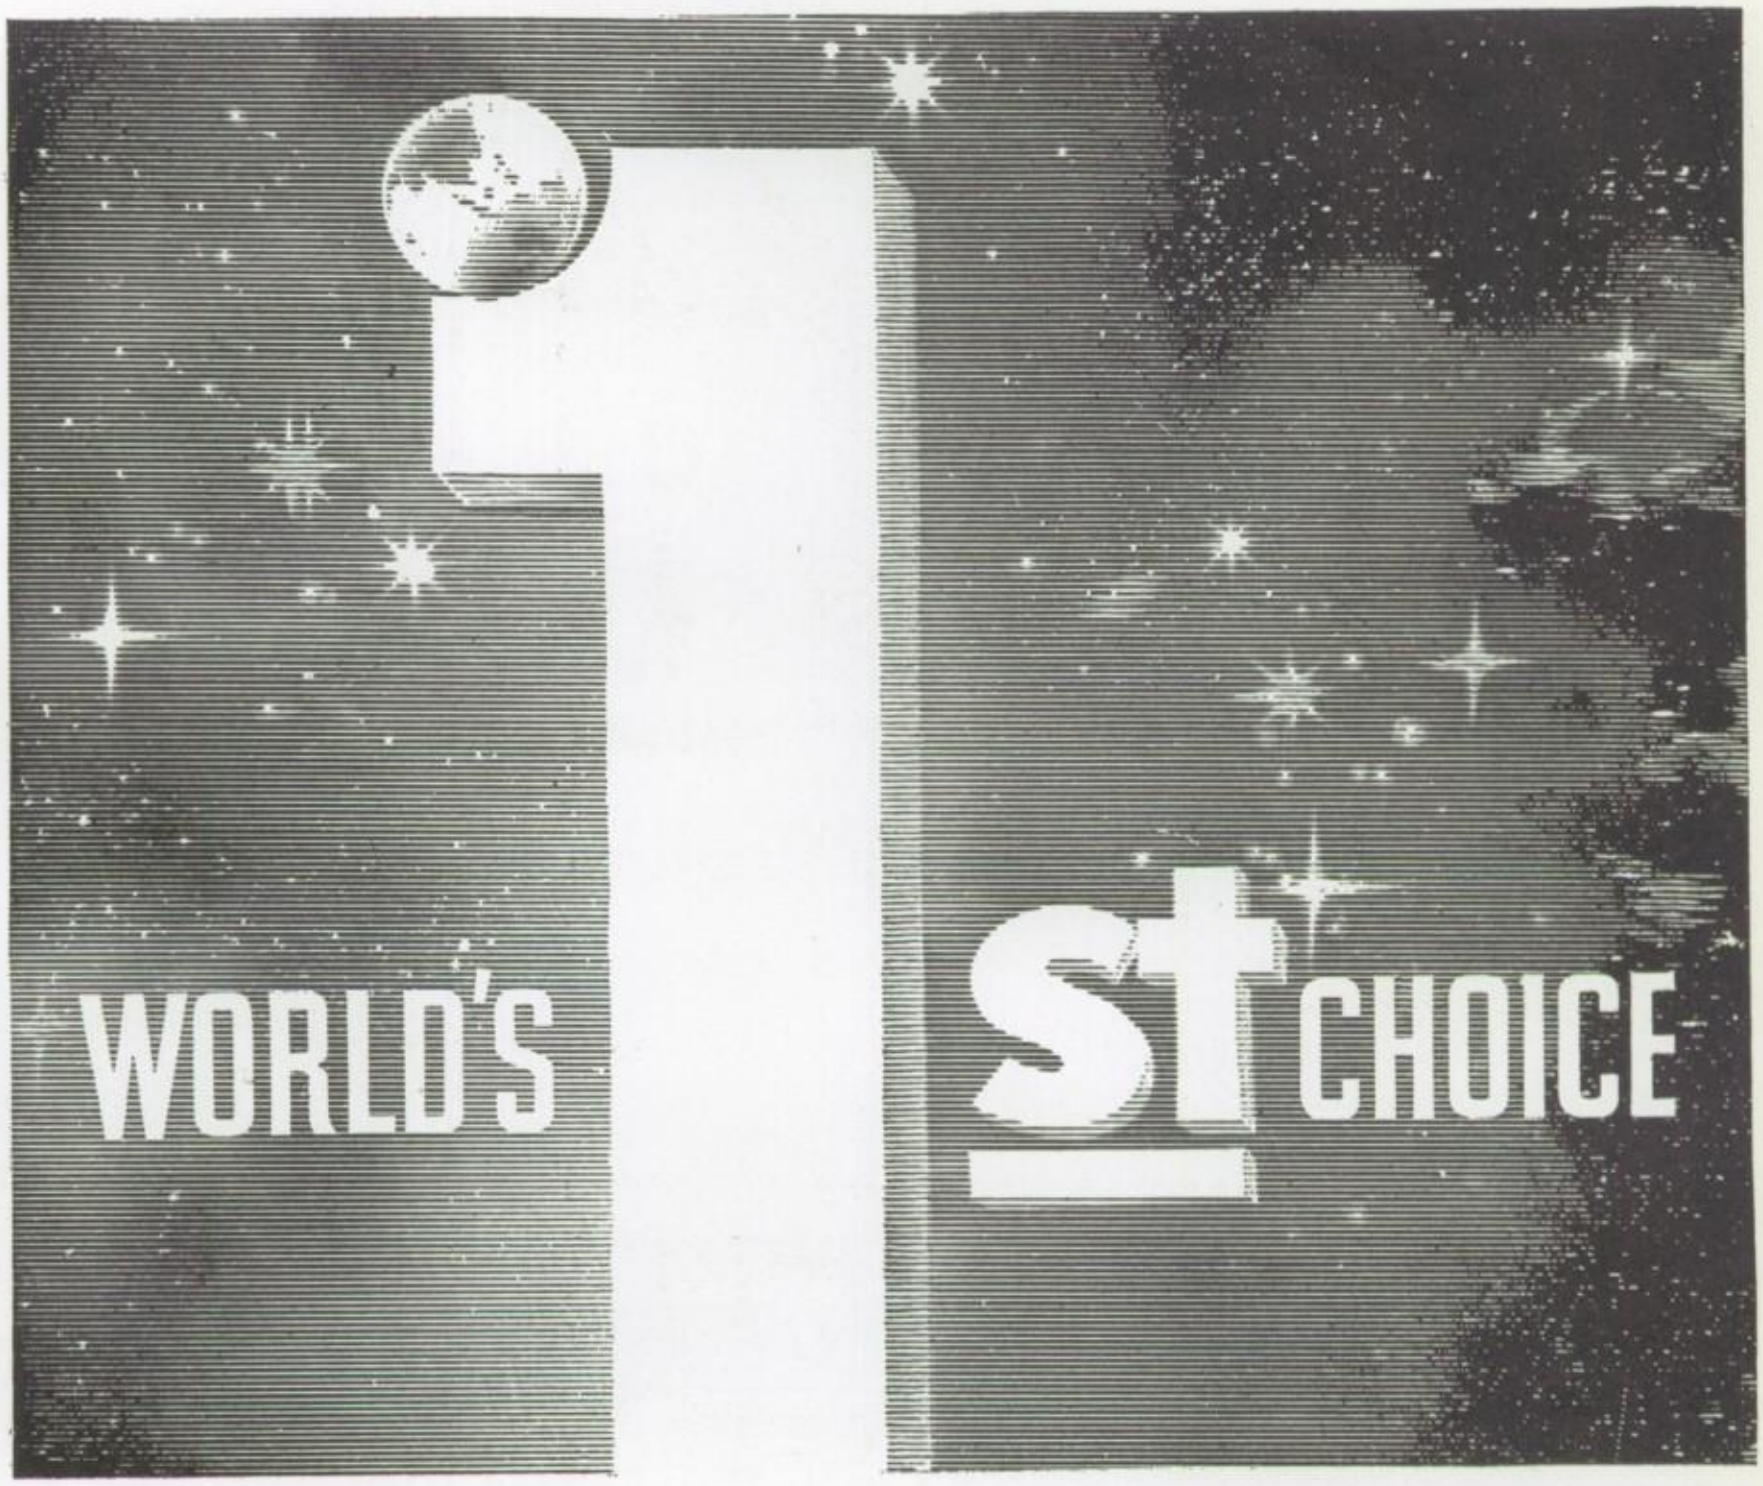
"A HOME AWAY FROM HOME"

Plan your next party or banquet at the AOM. Our cuisine is the finest in the Far East.



All over the world, the first choice is ESSO. Add up all the ESSO products sold throughout Europe, the Americas, Asia, Africa, Australia . . . you'll find more people buy these products sold under the ESSO sign of energy than any other brand.

One major reason why ESSO is the World's First Choice is ESSO Research, which continually works to develop the highest quality products. For example, the new ESSO Extra gasoline cleans your engine as you drive . . . and the new ESSO motor oil with special additives doubles the life of your engine.

Another major reason is ESSO Service. Helping the customer is a never-ending job at ESSO. Service station attendants, dealers, salesmen, lubrication engineers . . . they know their business. When you get to know them, you know their bussiness is serving you . . . and they take it seriously!

Try ESSO products . . . you'll see why they are the World's First Choice.
